PROFILE

Business Analyst with nearly 2 years of experience in requirement analysis, documentation (SRS, BRD, CR), and stakeholder management. Skilled in translating business needs into functional specifications and collaborating with cross-functional teams to deliver projects on time and within budget. Contributed to e-commerce, HRIS, ERP, and logistics platforms, enabling faster UAT cycles, reducing documentation errors, and improving project clarity. Passionate about process optimization and delivering value-driven solutions.

WORK EXPERIENCE

TechnoNext Software Limited, US Bangla Group — Jun 2024 - Present

Junior Business Analyst

- Collaborated with stakeholders to gather requirements, perform gap analysis, and design solutions that improved project clarity and reduced rework.
- Prepared SRS, CR, user stories, and process flow diagrams for projects including CartUp (E-commerce), ERP, Payroll & HRIS software, enhancing development efficiency and documentation accuracy.
- Reduced documentation rework by 25% through accurate SRS and CR preparation.
- Supported solution design, vendor management, UAT, and end-user training, contributing to on-time delivery of multiple projects.
- Coordinated with Development, QA, UI/UX, and Operations teams to ensure project alignment.

TechnoNext Software Limited, US Bangla Group — Feb 2024 - May 2024

Intern Business Analyst

- Assisted in requirement gathering and process analysis for Foodi (Food delivery) and Meditrip (Medical travel & accommodation) platforms.
- Contributed to documentation (SRS, CR, process flows), improving workflow clarity under senior supervision.
- Supported UAT and end-user training, ensuring smooth solution adoption.
- Gained hands-on experience in end-to-end project delivery through collaboration with cross-functional teams.
